Next meeting's agenda

May 17 @ 6:30 pm

Hive check and installing bees

Meeting Minutes

18 members were present

The field trip went well Saturday. We had two spark club members to attend (Meyer Twins) Randy got into three queen nucs and discussed traits of some of his different types of bees. Maybe a little over some people heads on queen rearing, but still a nice field trip. The following pictures are just a partial of what he has at his place. are finalized.

future club meeting agenda include:

- installing bees in a hive
- hive check
